

MARK HANNA

High is the only way to do this fucking job. Guy who coined the term "three-martini lunch" was a woman. Cocaine and hookers, my friend, the keys to success.

Jordan smiles, not sure if Hanna is kidding.

JORDAN

I gotta say, I'm really excited about being part of your team. I wanna do all I can for our clients and --

MARK HANNA

(reciting an ad)

"Here at L.F. Rothschild, our clients aren't just important, they're family." Just as long as we get our taste first. Remember something, Jordan, your top priority in this job: make us money. If the clients get rich along the way, bully for them. Got a girlfriend?

JORDAN

Wife. She cuts hair.

Mark swallows a comment about that. Gets to business.

MARK HANNA

OK, first rule of Wall Street. Nobody -- and I don't care if you're Warren Buffet or Jimmy Buffet -- nobody knows if a stock's going up, down or fucking sideways, least of all stock brokers. But we have to pretend we know. Make sure you stay relaxed. Nobody wants to buy something from someone who sounds like they haven't gotten laid in a month. Take breaks when you feel stressed, jerk off if you can. You like jerking off, right?

JORDAN

Well... sure.

MARK HANNA

Good, jerking off is key. And I highly recommend cocaine, which will make you dial faster, which is good for me. Churn 'em and burn 'em, baby.
