

NAOMI (O.S.)

I can't understand you! Just get
home, hurry!

Naomi clicks off. And as Jordan puts the car in gear...

JORDAN (V.O.)

They say God protects drunks and
babies. I was praying the same
held true for drug addicts.

191 EXT. HEGEMAN'S ROAD - NIGHT (LATE SUMMER '95) 191

Peering over the wheel like an old lady, Jordan slowly
maneuvers the Lamborghini down the dark road.

JORDAN (V.O.)

I was less than a mile from home
and drove slower than shit.

192 EXT. JORDAN'S ESTATE - NIGHT (LATE SUMMER 95) 192

Jordan pulls up in the Lamborghini, shuts the ignition.

JORDAN (V.O.)

Somehow I made it alive, not a
scratch on me or the car.

193 INT. JORDAN'S ESTATE - FAMILY ROOM - NIGHT (LATE SUMMER '95) 193

CLOSE ON the TV, where a POPEYE cartoon is playing.
PULL BACK to reveal Skylar watching. As Jordan staggers
in, Naomi approaches...

JORDAN

Where Zonnie?!

NAOMI

In the kitchen.
