

And as they hustle Nicholas out...

JORDAN (V.O.)
Loyalty, like I said. Which was
the key component to my incredible
fucking success.

EXT. GOLF COURSE - DAY (OCT '92)

98A

As Jordan golfs with Donnie, Chester, Robbie, Toby and
some hookers, Brad pulls up in a golf cart with a cash-
filled gym bag.

JORDAN (V.O.)
Besides Brad, I had eight other
'ratholes', close friends who'd
own stock on paper, but kick the
profits back to me after I drove
the price through the roof.

They hug, then Jordan adds the gym bag to several others
on the back of his golf cart. Donnie tries to befriend
Brad; Brad isn't interested.

JORDAN (V.O.)
The SEC knew I was doing something
shady, but they couldn't figure
out what the fuck it was.

Jordan, Max and securities lawyer MANNY RISKIN exit the
kitchen with coffees.

MANNY RISKIN
I'm telling you -- piss on the
SEC's leg, you'll end up with your
tits in a ringer.

FREEZE FRAME - Manny stuffs a cruller into his mouth.

JORDAN (V.O.)
My securities attorney, Manny
Riskin. Seven hundred an hour to
be the voice of doom.
